DECEMBER 2011

Dear Friends,

A CHRISTMAS WISH FOR YOU!

*At Christmas time we celebrate the birth of Christ the Lord,
Who was the Gift that God gave us, a Gift none can afford.
But freely He is ours to know as Saviour and as Friend,
Who'll travel with us on our road until we reach the end.
We pray that through the years ahead you'll find that, more and more,
He'll fill the stocking of your life with gifts from heaven's store!*

(© Edward John Kidgell)

THANKS for praying for our graduation on the 3rd December at Jeppes Reef. We had a good turnout; Mfanaleni and Themba were also able to attend and be involved in the service. From there we travelled to Middelburg and collected Kirsten and Riley as they spent a week with us in Hazyview. We were then blessed to spend the day with Riley on his 2nd birthday. Then we came back home for a week before leaving for Durban for Christmas.

We trust that you all had a Blessed Christmas - We are in still Durban visiting with all our children. Kirsten, Haydn and Riley travelled from Middelburg, Mpumalanga and we shared Christmas Eve together as a family. On Christmas Day we went with Andrea and her family to their church and then spent the rest of the day with other Durban family. We have had quite a bit of down time, and time to recharge our spiritual batteries. The weather has been good to us with just the right amount of sun to give us a chance to swim with the grandchildren. We have played Wii with the boys and watched a bit of TV, comedy and movies.

We want to express our deep gratitude and appreciation to ALL of you. THANKS for your prayerful and financial support over this past year. THANKS also for your love and encouragement during these past months which has been experienced in so many ways – prayerfully, financially, through email and other forms of communication. The Lord has provided all our needs and has blessed our family. With Quintin's help we were able to replace Casi's car with a Fiat Palio time for her to return to Pretoria for her final year of study. She will be delivering babies for the first three weeks and has been warned that it will be a tough time with a lot of extra hours. She is still battling with pain in her knee after the accident last month; **please pray she will soon be pain free and not need an operation.**

Kirsten and Haydn (and Riley) travelled down for a week; Riley is not a good traveller but Kirsten kept him busy. All the boys were thoroughly spoilt by friends and family. It was such a joy to see them together, they are all so different but precious to their parents and their grandparents. Andrea and Quintin accommodated us for almost three weeks and we had a lot of time together visiting friends and family. As Andrea runs her own business she has had to work in between even roping Casi in to do some work on manuals for her.

Please pray for our children and grandchildren and their plans for 2012 that God will guide them daily.

We PRAISE the Lord for the opportunity to take an Ocean Cruise from Durban to Cape Town with Heather's Dad and sister Janet. It is on Heather's Dad's "bucket list" and we are so excited to be leaving Durban on Tuesday 3rd January, we arrive in Cape Town on Friday 6th. We'll then spend a day with Andy's family and fly back on the Saturday. Please note that we will be out of contact for the three days whilst we are on board!

Andy Preached at Fynnland Baptist on 1st January our home church, (we grew up and married from) and at Scottsville Pietermaritzburg on 8th January, (our sending church and where we last pastored). Then we travel to Sunbury on the north coast of KwaZulu Natal for the annual ZEMA Conference from the 9th to 12th January. **PLEASE PRAY FOR US.** We would love to join the new system but we will need to raise a further R3000 per month. We have been promised about R1000 more a month but we need new supporters to raise the other R2000.

Please PRAY for this Conference as we begin to implement the new financial structure.

Blessings,

Andy & Heather Sullivan
